

Christ College, Bhopal

Best Practices 2020-2021

1. Title of the Practice : Beyond Curriculum

Content

When it comes to providing your students with an enriching, successful educational experience, every teacher knows it's not enough to stick with the source material. Teaching beyond the curriculum is a must for educators who enjoy going above and beyond for their students or are always looking for new ways to engage their classes.

The Objective

- To promote student learning through non-formal scholastic practices including seminars, campus events, workshops, conferences, and experiential learning activities.
- To Broaden students' breadth of knowledge and horizons by applying the skills and knowledge that are beyond curriculum to complement their learning at university.
- To expose students to different perspectives concerning the social, economic, and cultural development of the region, nation, and the world.
- To stimulate thinking, self-reflection, and self-understanding of students to promote their individual growth

The Practice

Christ College in order to contribute to the society has taken following initiatives

1. Donation Drive
2. Organized Plantation drive
3. World Environment Day Celebration
4. National Webinar on Major Crimes and Punishments
5. Workshop on Gender issues and sensitization
6. Mask making and distribution by students during corona.
7. National workshop on Yoga.
8. National Webinar on Basics of Interview Skills
9. National Webinar on Personal Growth: Ways and Means during and post COVID 19
10. National Webinar on Enhancing ICT Skills: A Prerequisite for Online Learning in the Time of COVID-19.
11. National Webinar on Professional Etiquettes
12. Session on Self Awareness: A Life Skill
13. Special Session on Human Values
14. Workshop on Media Education

Evidence of Success

The efforts of the program have been widely recognized and appreciated . Donation drive not only helped the community but also inculcated the value of sharing among the students. Spreading the message of Cleanliness helped students learn the ways of cleaning the environment and national workshop on Yoga helped everyone adopt a healthier lifestyle. Various National webinars helped us spread knowledge to the other members of the community. Through these webinars we helped them in understanding and developing interview skills, personal growth, ICT skills, Professional etiquettes and also understand Crimes and punishments.

Resources Required

- a. Plants
- b. Banners
- c. Student Participants and volunteers
- d. experts
- e. Groceries and stationary
- f. Masks and trained tailors
- g. resource persons

Problems Encountered :

The Beyond curriculum programs often have monetary requirements. At times, some permissions are needed from concerned authorities. College administration has always supported the students in the process and address any temporary hinderances. The most valuable resource is the commitment from student members in terms of time and efforts. No matter what difficulties arise, the college team has always come together to tide over any challenges

About the institution

- (i) Name of the Institution : Christ College
- (ii) Year of Accreditation : 2014
- (iii) Address : St Paul's Campus Anand Nagar Bhopal
- (iv) Grade awarded by NAAC : A grade CGPA 3.21
- (v) E-Mail : christbhopal@gmail.com
- (vi) Contact person for further details : Dr. Fr. Johnson S.V, Principal

2. Title of the Practice: Certificate course in Research Methodology

Content

Research Cell of Christ College Bhopal organized a 10 days online Certificate course on Research Methodology for M.Ed. Sem-1 and M.Ed. Sem-3 Students from 6 November to 21 November 2020. The workshop was divided into two phases, phase-I from 6 November to 11 November and Phase-II from 18th to 21st November.

The resource persons of the certificate course were – Dr. Annsi J Sojan and Dr. Diwakar Singh. Both Dr. Annsi J Sojan and Dr. Diwakar Singh shared 5 sessions (5 days) each. Each phase was followed by quizzes and assignments, students actively participated in the live session exercises and assignments. Major areas covered during 10 days workshop were – Meaning, types and characteristics of research, types of research, identifying problem, writing title, review of related literature, writing objectives, hypothesis, sampling, data collection tools, design, statistics and research, parametric and non parametric tests, data analysis and interpretation and synopsis preparation. E- Certificates were distributed to each participant who completed the assignments and attempted the quiz. The coordinator of the course was Dr. Diwakar Singh.

The Objective

- To promote student learning of Research Methodology..
- To Broaden students' breadth of knowledge and horizons by applying the skills and knowledge that are related to research to complement their learning at university.
- To expose students to different perspectives concerning the social, economic, and cultural development of the region, nation, and the world.
- To stimulate thinking, self-reflection, and self-understanding of students to promote their individual growth.
- To develop interest and aptitude for research among the pupil teachers.
