Best Practices 2021-2022

1. Title of the Practice : Training in Research

Content

Academic council along with IQAC decided to give training to develop research aptitude and skills. So as planned classes on Research methodology was organized. Research Methodology includes not only theoretical explanations but also includes practical training and efforts were made to provide both to teachers and students at Christ College.

Objectives of the Practice

- To identify appropriate strategies for teaching and learning research methodology.
- To enhance the educational experience by indulging in innovative and interesting new approaches of building knowledge.
- Developing important skills for professional development of the students.

The Practice

At Christ College, Research methodology was taught through following ways:

- FDP on Qualitative Research and Biometric Analysis
- Workshop on Identifying the problem and writing a research title
- Workshop on Use of Excel in Research
- Workshop on Data Analysis and Interpretation using SPSS
- Session on Action Research

Advantages

- Builds the confidence of the students and facilitates knowledge of research.
- Encourages and facilitates the students to pursue their passions and make a career out of it
- By Action research they can solve the classroom problems.

Challenging issues

- Giving practical experience to the students in research
- Collaborating with experts to take up webinars/ workshops.
- Getting expert staff and students for the purpose of executing the plan during Corona.

Evidence of Success

- Students could participate in research activities
- With the help of Action Research they are now able to solve classroom problems.
- Students could do the dissertation which is a part of their curriculum successfully
- Teachers also started showing interest and were getting involved in Research activities.
- Teachers as well as students could understand both the theoretical and the practical aspect of Research.

Resources Required

- Faculty who are specially trained to ensure productive activities related to research are organised and that the students are provided with an orientation adequate enough for them to carry out their duties and responsibilities.
- Technology
- Experts in the field

Suggestions

Post COVID lockdown more such sessions should be organized offline. Regular sessions on these issues will enhance their knowledge and skills and prepare them for a better professional and personal life .

About the institution:

- (i) Name of the Institution : Christ College
- (ii) Year of Accreditation: 2014
- (iii) Address: St Paul's Campus Anand Nagar Bhopal
- (iv) Grade awarded by NAAC: A grade CGPA 3.21
- (v) E-Mail: christbhopal@gmail.com
- (vi) Contact person for further details : Dr. Fr. Johnson S.V, Principal

2. Title of the Practice : Sensitization Programme

Content

The world saw disaster in the form of Covid 19, people suffered , many died. No one realized what happened and how it happened all we saw was suffering all around the world. Keeping this in mind we at Christ College wanted to sensitize the students and make them serve people and society around them in which ever way possible. So we organized many social outreach programs and awareness campaigns.

The Objective

- To sensitize students.
- To Broaden students' breadth of knowledge and horizons by applying the skills and knowledge to solve the issues concerning the society at large.
- To bring awareness about organ donation.
- To make them responsible citizens.
- To expose students to different perspectives concerning the social, economic, and cultural development of the region, nation, and the world.
- To stimulate thinking, self-reflection, and self-understanding of students to promote their individual growth.

The Practice

- To cultivate sensitivity among the students following programs and sessions were organized:
- Campaign against Hunger and Disease on 28 July 2021
- Awareness campaign to fight the third wave of COVID 19
- Donation Drive
- Awareness Programme on World Organ Donation Day on 13 August 2021.
- Women Equality Day Celebration on 17 September 2021
- Joy of Giving on 20 November 2021
- Awareness Rally on Swachha Bharat Abhiyan on 26 November 2021

- Session on Yoga on 28 November 2021
- Workshop on Yoga on 12 January 2022
- Session on Gender Sensitization on 11 February 2022
- Tree Plantation Drive on 19 July 2021 and 3 March 2022
- Ten Days Training Programme on Developing Skills of Computers, Spoken English and Personality from 16 May 2022
- Session on Sustainability on 16 May 2022

Evidence of Success

- Students were seen donating and sharing their things with the needy.
- They planted trees and started nurturing them with a new perspective.
- They pledged to donate organs. Many of them applied for it.
- They learned the skill of Yoga and started teaching the same to other members of their family.
- Awareness rally on Swachh Bharat Abhiyan gave them an opportunity to learn the skill and develop the habit of cleanliness.
- They became aware of the rights and constitutional provisions for Women.
- Drastic change in the behavior and perception of these students were seen.

Resources Required

- a. Resource Persons
- b. Technical assistance

Problems Encountered :

These programs have monetary requirements. At times, some permissions are needed from concerned authorities. College administration has always supported the students in the process and address any temporary hinderances. Due to COVID 19 lockdown created confusions and havoc. The most valuable resource is the commitment from student members in terms of time and efforts. No matter what difficulties arise, the college team has always come together to tide over any challenge.
